v.

NELSON IZQUIERDO, Defendant.

Case No. 02-17132-BKC-AJC

Adv. No. 02-1478-BKC-AJC-A

The Plaintiff failed to provide evidence to prove false pretenses, false representations and actual fraud as alleged in Plaintiff's Complaint, and no allegations or proffer of evidence supports the §727 count of the Complaint. Therefore, the Court found it proper and appropriate to deny the motion for default final judgment.
