

**TABAS v. GLOBAL AUTOMOTIVE GROUP, LLC  
(IN RE MMH AUTOMOTIVE GROUP, LLC) 05-06196-BKC-LMI**

Decision to stay civil discovery pending the outcome of a concurrent criminal proceeding rests within the Court's sole discretion. A corporation does not enjoy the constitutional protections of the Fifth Amendment and may not create such protection indirectly by designating, to respond to discovery requests in an adversary proceeding, a corporate representative that is the subject of a pending criminal proceeding.
