

NOVA INFORMATION SYSTEMS, INC. v. STONE (IN RE STONE)
06-01117-BKC-LMI

Where no motion was filed prior to expiration of the deadline to file a dischargeability complaint, the Court is without power to extend the deadline.

In order for counsel to avail himself of the protections of AO 05-2, regarding procedures in the event of filing problems due to technical difficulties with CM/ECF, Plaintiff's counsel must have been a registered user, at the time of filing, of the CM/ECF system for the Southern District of Florida Bankruptcy Court.
