

**MUKAMAL v. ENRIQUEZ (IN RE RX CARDIOVASCULAR SPECIALTIES, INC.)
ADV. CASE. NO. 06-1094-BKC-LMI**

In bankruptcy, timing is everything. Pre-petition check honored by Debtor's bank after the petition date resulted in a post-petition transfer avoidable under 11 U.S.C. §549.

Section 547(c) ordinary course of business and contemporaneous exchange defenses to preference avoidance actions are inapplicable in defense of a section 549 post-petition transfer avoidance action.
