

In re Jefferson PRESSLEY and Laretta Pressley, Debtors

No. 94-20629-BKC-RBR
(Cite as: 242 B.R. 193)

Debtors filed a motion seeking to have liens avoided pursuant to the 11 U.S.C. s 522(f). The question before the Court was whether a Chapter 13 debtor may avoid judicial liens held by listed creditors after the debtor completed plan payments and received a discharge. Finding no evidence of prejudice to the creditors, the Court granted the requested relief.
