

In re Alan MacLean FINLASEN, Dawn Leigh Finlasen, Debtors

No. 99-30402-BKC-SHF

(Cite as: 250 B.R. 446)

Court refused to allow requested compensation to attorney for a chapter 13 debtor because time entries were inadequate. The Court held that absent contemporaneously and accurately documented time entries in support of a fee application, it is inappropriate to award compensation to an attorney for chapter 13 debtors in excess of \$2,500.00.
