

In re Frederic R. STARLING, Debtor.

No. 99-34550-BKC-SHF

(Cite as: 251 B.R. 908)

The issue before the Court was whether a debtor may object to a claim, treated under a chapter 13 plan, once the plan has been confirmed. The Court held that confirmation binds a debtor, just as it does a creditor, to the terms of the amended plan. The debtor's objection to creditor's claim was barred because the debtor could have and should have raised this objection prior to confirmation.
