MARIKA TOLZ, TRUSTEE, Plaintiff

vs.

QUAD GRAPHICS, INC., Defendant.

CASE NO.: 02-27314-BKC-PGH

ADV. NO.: 04-2032-BKC-PGH-A

The parties stipulated that the two issues of law for decision were: (i) whether the payment was on account of an antecedent debt, and (ii) whether Defendant received more than it would have received in a Chapter 7 distribution. This Court determined that payment was clearly on account of an antecedent debt and the Defendant did not receive more than it would have received in a Chapter 7 distribution. Furthermore, this opinion was affirmed by the District Court.
