

Bankruptcy CM/ECF Release 4.1

Release Notes for External Users

Introduction

This document summarizes the changes you will notice when CM/ECF has been updated to Release 4.1. The titles in red indicate what differences you will see based on the type of user you are. There are several other enhancements that will be made available at a later date and we will share those with you when they are ready.

INTERNET BROWSERS - ALL USERS

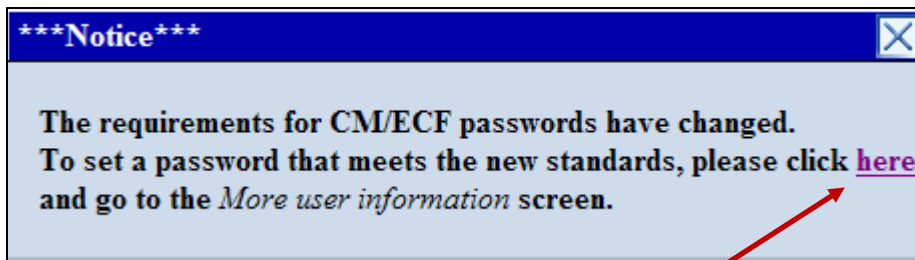

Release 4.1 was tested and works correctly with Firefox 3.5, and Internet Explorer 7 and 8; Mozilla Firefox 2 and Internet Explorer 6 are no longer supported.

PASSWORD SECURITY - ALL USERS

Password security has been improved. All CM/ECF passwords must be a minimum of 8 characters, and must include both upper- and lower-case alphabetic characters and at least one digit or special character [e.g., 0-9, @, #, \$, %, &, *, +, :].

Additionally, after five invalid login attempts, your account is locked out for a five-minute waiting period. Each subsequent invalid entry increases the resulting lockout period.

The **first time you log in**, you will see the following message if you are able to maintain your own account; if not, a similar message will appear:

CASE OPENING – ATTORNEYS/TRUSTEES

- Previously, an attorney opening an adversary case was prompted to create an association with the plaintiff in the case. Now, a “Counsel for” selection option appears (if the adversary proceeding is not a complaint) to allow the attorney to indicate which party s/he represents: if the default “Plaintiff” is selected, the filing attorney is automatically associated with the plaintiff; if “Defendant” is selected, the filer may make the attorney association during docketing.
- During adversary/miscellaneous proceeding filing, the filer was previously always able to add the defendant’s attorney to the case while adding the defendant. Now, the *attorney* opening the adversary will not be able to add the attorney for the defendant.

CLAIMS/CREDITORS - ALL USERS

Claim Filing – Proof of Claim

- Proof of Claim notices/receipts previously did not show the types of claim amounts requested. Now the amounts provided are as follows: Amount Claimed, Amount Secured, Amount Priority.
- The “File another claim” hyperlink was previously displayed at the bottom of the Notification of Electronic Claims Filing (NECF) receipt. Now the hyperlink has been moved to the top of the NECF receipt for easier access.
- The Proof of Claim entry screen text and formatting have been modified to match the B10 form. Additionally, the amount claimed and amount allowed totals are no longer calculated. Instead, the “Amount claimed” and “Amount allowed” fields constitute the totals of the various amounts claimed and allowed; the user enters the totals in these fields, and no additional total is calculated.

Claims Activity

- For any closed case, the case closed date is displayed next to the case number on the report output.
- Previously, when a claim was transferred via a Transfer Agreement, the filer to whom the claim was transferred was listed as the filer of the original claim. This was incorrect, and inconsistent with the information displayed on the Claims Register. Now the original filer name is displayed for the original claim, and the filer to whom the claim was transferred is listed for subsequent claim actions.

Claims Register

- Previously, the “Entered by” field displayed the original filer, even if a more recent claim amendment or part was entered by a different user. Now the “Entered by” field displays the filer of the most recent claim record.

RSS FEED TECHNOLOGY - ALL USERS

We now offer an RSS feed with links to docket sheets and documents. A standard RSS reader is not provided with CM/ECF, but the software supports the readers included with the standard supported browsers. For each activated type, an entry is made to the RSS feed every time a docket entry is made. Clicking on the link displays brief details of recent events in the case,

- The county of residence is now displayed along with the address information on the report output for debtors and joint debtors.

MISCELLANEOUS – ‘Enter’ Key Function – ALL USERS

If you wish to use the keyboard rather than the mouse, pressing the Enter key now gives the same result as clicking the button that submits the screen. Pressing the space bar also works if the focus is on the button that submits the screen.

Note: This key action was previously available on a number of screens throughout the application, but has been enhanced to be available on all screens.

TRUSTEE’S 341 FILINGS – ALL PANEL TRUSTEES

- The Trustee’s 341 Filings module has been enhanced to allow multiple meetings to be continued simultaneously. Additionally, the output now displays only information and selection options valid for the chapter(s) of the cases displayed. An option to sort by time has been added to the selection criteria screen.

- On the Trustee's 341 Filings filter screen, a new "Continue multiple 341 meetings" check box has been added to the screen. If this box is checked, a new screen is displayed to allow the trustee to continue 341 meetings for some or all of the cases with meetings on the selected date.

- This screen displays all cases for which the trustee has 341 meetings scheduled for the selected day. The trustee makes date, time and location selections. An "Additional docket text" field allows the trustee to add information to the docket text; to add the text "Debtor appeared", "Joint Debtor absent", etc. the user should bubble the correct selection(s). All additional text and verbiage concerning the debtor(s) appearance(s) will appear in the docket text.

Chapter 7 Cases

- The cases displayed are grouped by chapter; and the check box in the header row (beside the “Case” label) sets all case check boxes to its own value.
- If the trustee runs the report without selecting the “Continue multiple 341 meetings” box, the Trustee’s 341 Filings screen is displayed:
- For continued 341 meetings, you can choose the correct location of the new meeting. For example, all continued Hagerstown 341 meetings are to be set in Greenbelt.

NOTICING – ALL USERS

- The BNC Certificate of Notice now includes all entities selected as form recipients who received a Notice of Electronic Filing through CM/ECF, along with the date of electronic notification and the entity’s name and email address. Additionally, the BNC file now contains an email address (of the debtor’s attorney, or of the debtor if pro se), so that the BNC may email the bypass list.

FEES/PAYMENTS DUE - ALL ATTORNEYS and TRUSTEES

Internet Payments Due

- Previously, when an internet payment was made, all fees incurred up to the time of payment had to be paid at once. Now a user may choose to pay some or all of the fees in a given transaction and by various forms of payment although if any fees remain outstanding past midnight, the user will still be locked out until all fees are paid in full.
- To avoid problems with pop-up blockers among various browsers, the pop-up window previously generated by a pay.gov transaction is now displayed as a panel. This panel appears as a part of the original application window, so it is not affected by pop-up blocker settings.
- On the “Internet Payments Due” screen, all outstanding fees are displayed, along with a check box for each fee. To select the fees to pay, the user should check the boxes next to the desired fees, then click the *Next* button.

TRACKING FILING FEE BALANCE – ATTORNEYS AND TRUSTEES

- In previous releases, there was no way to track the balance due when a filing fee was paid in installments. Now, for pending cases, the outstanding filing fee balance is tracked in CM/ECF. **(NOTE:** This is applicable only for cases that are opened after upgrade to Release 4.1).
- A new “Filing Fee” selection is available from the main Query output screen. For bankruptcy cases, this option displays a screen listing the filing fee amount, details on any payments that have been made, and the outstanding balance due. An additional section displays any related adversary proceedings with deferred filing fees.
- For adversary and miscellaneous proceedings, the “Filing Fee” query displays the case opening fee and the balance due (if the filing fee was deferred).
