

**NOTICE OF  
REVISED  
Court  
Guidelines  
for Preparing  
Orders (CG-5)**

The Court's Guidelines for Preparing Orders have been revised to require that orders addressing agreed matters must include in the title and body of the order that the matter is agreed.

In addition, the Guidelines now advise practitioners to review each judge's web page for any additional requirements specific to that judge. The judge's web pages can be accessed from the court home page. (To access select "Court Information", then "Judges' Information".)
