

Slide 1

Notes: Welcome to the Module on Filing Common Pleadings. This module guides you through more commonly filed pleadings and has been broken out into two parts.

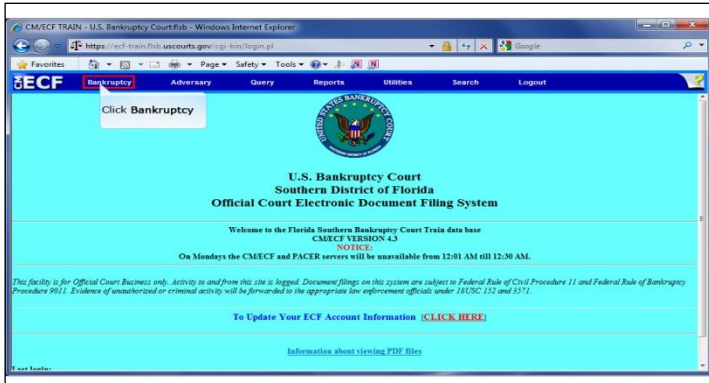

Slide 2

Notes: After completing the first part of this module, you will be able to file a Notice of Appearance, a Motion to Avoid Lien, and a Certificate of No Response. When you are ready to begin, click START.

Slide 3

Notes: Our first lesson focuses on filing a Notice of Appearance and Request for Notice. This is a request to receive all documents filed in the case. An appearance filed in the main case is not an appearance in associated adversary cases and vice versa. To receive service in a main case and a related adversary proceeding, a notice of appearance must be filed in both.

Slide 4

Notes: From the Main Menu bar, click Bankruptcy to start the first part of this process.

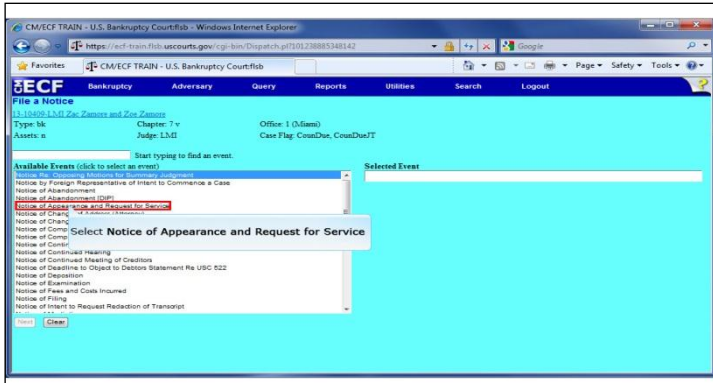

Slide 5

Notes: The Bankruptcy Events list will appear. Select Notices from the list.

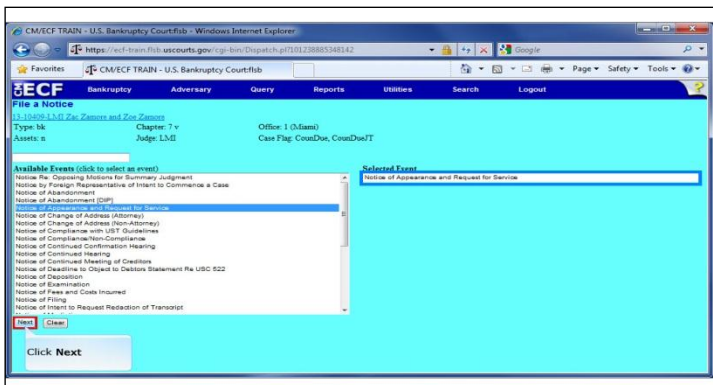

Slide 6

Notes: The Case Number screen will appear. Verify the case number and click Next.

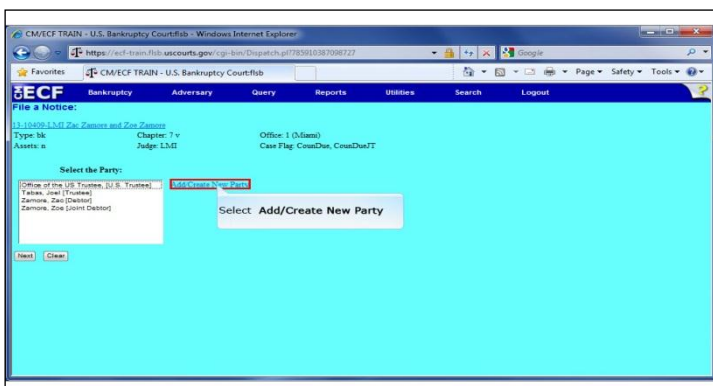

Slide 7

Notes: The Available Events screen will appear. Select Notice of Appearance and Request for Service from the list.

Slide 8

Notes: Confirm your selection appears in the Selected Events and click Next to continue.

Slide 9

Notes: The Select the Party screen will appear. For this tutorial, we are filing on behalf of Capital One. The party is not included in the list of case participants, so select Add/Create New Party.

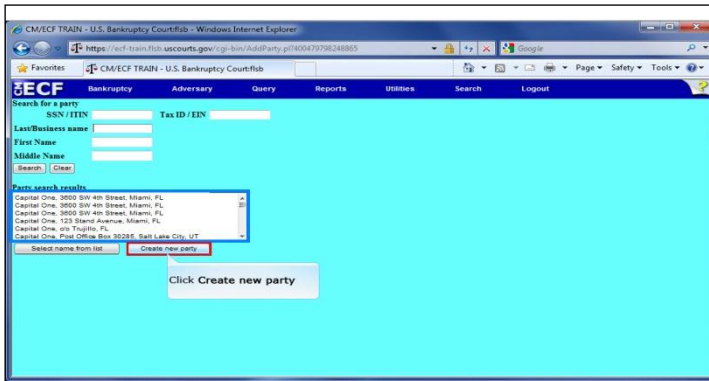

Slide 10

Notes: The Search for a Party screen will appear. Parties must first be searched in the court's database. Click in the Last/Business name text box and type Capital One.

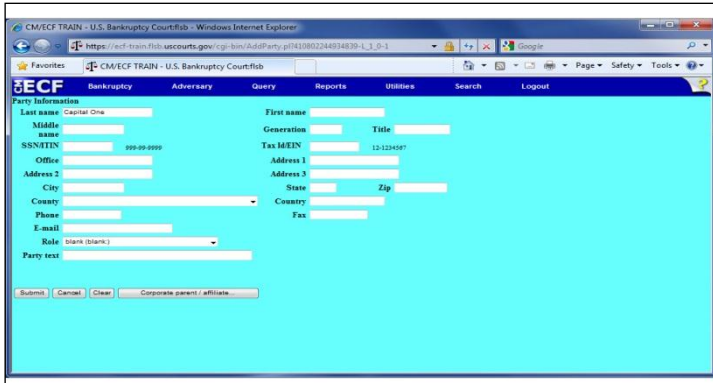

Slide 11

Notes: Click Search.

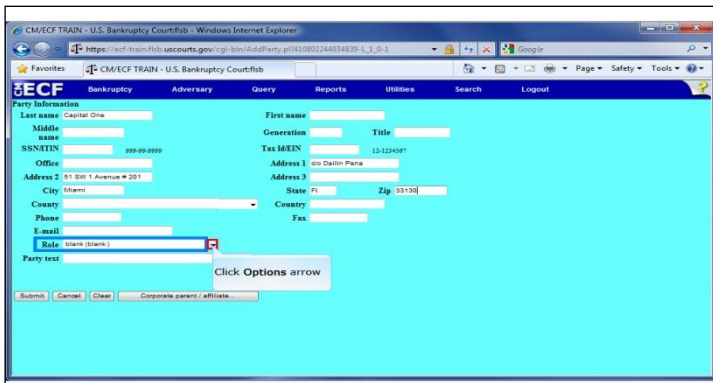

Slide 12

Notes: Any matching results will display in the Party search results text box. Although the database search yielded potential matches, none of the party records exactly match our party filer. Click on the Create new party button to add the creditor.

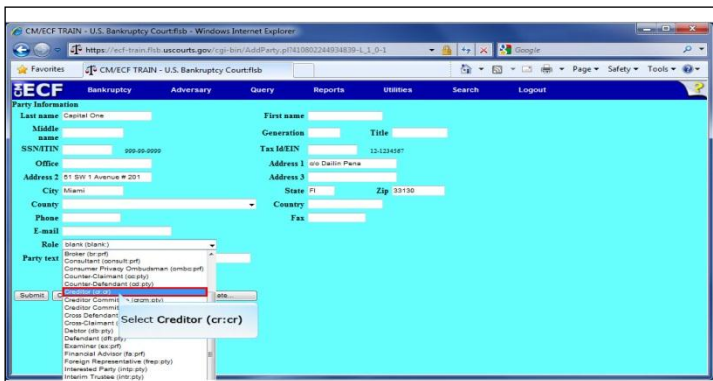

Slide 13

Notes: The Party Information screen will appear. Include the complete mailing address of the party. You will be receiving the notices on behalf of the creditor and will update the party information screen with the attorney name and address. For this tutorial, the information has been entered for you.

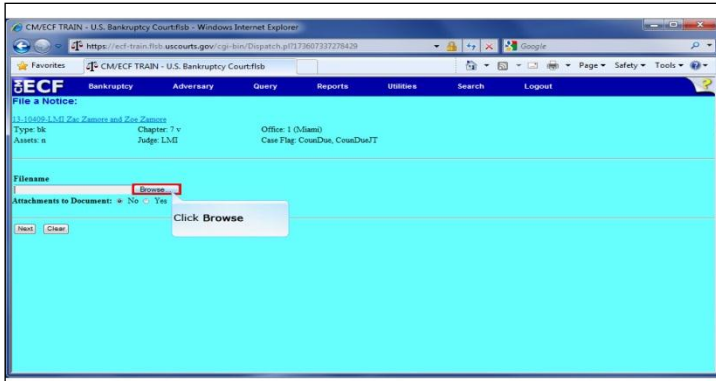

Slide 14

Notes: Refer to the court's Style Guide to ensure that all entered data is consistent with the court's requirements. For example, Address 1 should show c/o attorney name and apt/suite/room #s should be part of Address 2, as shown here. At Role, click the Options arrow.

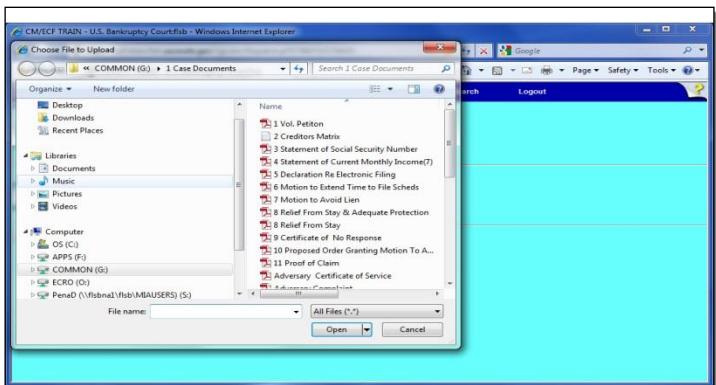

Slide 15

Notes: Select the role type of your party: creditor.
