**Clerk's Instructions for Preparing, Submitting and Obtaining Service Matrices**

**I. Initial Creditor Service Matrix to Accompany Petition**

Pursuant to Local Rule 1007-2, an initial creditor service matrix (list of all creditors) must be prepared in accordance with the attached instructions (*see Exhibit A: Preparing a Creditor Matrix*), and submitted at the time the petition is filed.

Debtors not represented by an attorney **must** submit the matrix on a 3½ inch High Density diskette, cd-rom or memory stick in ASCII or MS-DOS text format. Debtors who do not have access to a computer may submit a service matrix on 8 ½ x 11" unlined, white paper in accordance with the attached instructions. CM/ECF registered efilers attorneys **must** upload the creditor matrix directly into the CM/ECF application by selecting the **Creditor Maintenance..** option from the **Bankruptcy** events menu link.

**II. Requirements for Submitting Subsequent Amendments**

**a. Local Form Required:** Pursuant to Local Rules 1007-2(B) and 1009-1(D), Local Form “**Debtor’s Notice of Compliance with Requirements for Amending Creditor Information**” (LF-4) must accompany any paper filed pursuant to Bankruptcy Rule 1007 subsequent to the filing of the initial service matrix or any paper filed pursuant to Bankruptcy Rule 1007 that renders the initial service matrix inaccurate or incomplete due to the addition, deletion, or modification of data [including information listed on the report required by Bankruptcy Rule 1019(5) or list required by Local Rule 2002-1(H)]. This form requires the debtor to certify that, in conjunction with the filing of subsequent amended information, the debtor has complied with other court requirements, including payment of any schedule amendment fees, the filing of any required amended papers and service of notice and other documents on affected parties. The exception to this requirement is if a debtor or the attorney for a debtor has received a bypass notice from the Bankruptcy Noticing Center (BNC) and is using it to change a previously submitted creditor address. In those instances, the bypass notice may be filed in lieu of LF-4 to notify the court of a change of creditor address. [See Local Rule 1009-1(D)(1)]

**Note:** Amended schedules, summaries or other amended paper must be filed to reflect the change(s) noted on LF-4. Even if the attorney for the debtor is signing and submitting LF-4, the **debtors must still sign** schedules and other documents using the Official Form “Declaration About an Individual Debtor’s Schedules” or Official Form “Declaration Under Penalty of Perjury for Non-Individual Debtors” as required by the Bankruptcy Rules and Local Rules 1007-2(B) and 1009-1(D).

**b. Correcting or Deleting Creditor Information:** When submitting corrections or deletions to creditor information submitted on a previous service matrix you must attach a separate list to LF-4 entitled “Deletions to Creditor Information” and/or “Corrections to Creditor Information” which includes the correct name and address of the affected creditors. As noted in section (a) above, a debtor or debtor’s attorney may file a signed BNC bypass notice in lieu of filing LF-4 when correcting a creditor’s address previously submitted on a matrix or schedule.

**c. Adding New Creditors:** When adding new creditors, including creditors added pursuant to Bankruptcy Rule 1019(5), to a previously submitted service matrix, the debtor must submit the new creditors in the same format required for an initial service matrix (*see sec. I. Initial Creditor Service Matrix*). **ONLY** the newly added creditors should be listed on the diskette, unlined paper, or for e-filing attorneys, uploaded into the CM/ECF application, along with a copy attached to the LF-4.

**d. Fee Requirement for Certain Amendments:** A \$31.00 filing fee is required at the time of filing the amendment to add or delete a creditor from a schedule, list or creditor service matrix, or to change amounts or classifications of creditors listed on schedules D, or E/F. This fee is for each paper filed, not each amendment listed on the paper. **NO** fee is required when the nature of the amendment is to change the address of a creditor or an attorney for a creditor listed on the schedules, to add the name and address of an attorney for a listed creditor or to add creditors pursuant to Bankruptcy Rule 1019(5).

**e. Notice Requirement:** A copy of LF-4, amended schedules, summaries or other papers and a copy of the §341 Meeting of Creditors notice must be served on the affected party(ies).

### III. Obtaining Service Matrices

The clerk maintains separate service matrices in CM/ECF (ECF PACER). Verification that a particular party or creditor appears complete and/or accurate on any service list or claims register is the responsibility of the party providing notice and of the listed party. Omissions of a party on any service list maintained in the CM/ECF application due to a failure by the debtor or other responsible party to provide the clerk with a supplemental matrix, or where applicable, a notice of change of address, shall be the responsibility of that party to correct. Determination as to the appropriate parties to serve shall be the responsibility of the party providing such service. When used by the clerk to designate service, "Parties of record", shall mean all parties listed on all service matrices maintained in CM/ECF. Available service matrices in CM/ECF (ECF PACER) are as follows:

1) **List of Creditors** - Displays a list of all parties who have filed an appearance in a case, or have automatically been added to the case by the clerk; all creditors who have been uploaded into the court's creditor database by filing of the initial or amended creditor matrix, and all creditors who have filed proofs of claim. This list is available in 3-column label format, or raw data format (delimited data fields).

2) **Mailing Information for a Case** - Displays a list of all registered efilers who have either made an electronic appearance in a case, or have automatically been added to the case by the clerk. List does not include registered efilers who have filed proofs of claim. This option also displays a list of non-filing parties who have filed an appearance in a case.

3) **Creditor List** - Displays a list of creditors who have been uploaded into the court's creditor database by filing of the initial or amended creditor matrix, or have automatically been added to the case by the clerk. List also includes all creditors who have filed proofs of claim and/or assignments of claim. This list does not include those parties who have filed an appearance in a case.

4) **Attorney List** - Displays a list of attorneys and the party(ies) whom they represent who have filed an appearance in a case. This list does not include those parties who have been uploaded in the court's

creditor database by filing of the initial or amended creditor matrix, or whom have filed a proof of claim.

**5) Party List** - Displays a list of parties, and (if applicable), their attorney(ies) who have filed an appearance in a case, or have automatically been added to the case by the clerk. This list does not include those parties who have been uploaded in the court's creditor database by filing of the initial or amended creditor matrix, or whom have filed a proof of claim.

#### **IV. Creditor's Preferred Mailing Address**

Section 11 U.S.C. §342(f) of The Bankruptcy Code, along with Bankruptcy Rule 2002(g), permits a creditor in a chapter 7 or 13 case, to specify a preferred address or addresses for all notices transmitted by the bankruptcy courts, or by a particular bankruptcy court. If a creditor maintains a "preferred mailing address" on file with the Federal Judiciary's Bankruptcy Noticing Center's (BNC) National Creditor Registration Service (NCRS), the BNC will redirect the bankruptcy court's notice(s) to a preferred mailing address. The address listed in CM/ECF will be substituted automatically, unless a notice of override of preferred creditor address is filed in the case.
