**CERTIFICATE OF SERVICE
and
[If service of notice of hearing] CERTIFICATE OF COMPLIANCE WITH
LOCAL RULE 9073-1(D)**

I certify that a true copy of *[this motion/this notice of hearing/identify any other type of paper being served]* and *[if notice of hearing: a true copy of the motion or other paper that is the subject of the notice of hearing (if not previously served)]* were served as follows:

[Note to party preparing this certificate of service: In this space (or as an attachment to this certificate) list the names and addresses and date and manner of service of all parties served. Note: The "Notice of Electronic Filing" (NEF) is not a substitute for the filing of a separate certificate of service but may be incorporated by reference into the certificate of service for the purpose of identifying those parties who were served electronically. The certificate of service must reflect that non-registered users or registered users who have yet to appear electronically in a specific case were served by conventional paper or other manner of service required under the federal rules and this court's local rules.]

[If filing the certificate for service of a Notice of Hearing: I further certify that I have conferred with opposing counsel in an attempt to resolve these issues without a hearing.]
